# Letter from the CEO

Dear OGB Members,

Annual Enrollment is your once-a-year opportunity to take a closer look at your benefits and make sure your coverage still meets your needs—and your budget.

If you're satisfied with your current OGB health plan and covered dependents for 2026, there's no action needed—your coverage will roll over automatically. But if you want to make a change, add coverage, or explore new options, this is your time to do it.

This guide walks you through your 2026 benefit options and any updates for the year ahead.

## **What's New for 2026**

OGB will continue to offer a range of health plans through Louisiana Blue for both active employees and retirees. At the time this guide went to print, Medicare Advantage plan proposals were still under review, with final contracts expected before Annual Enrollment begins. Once finalized, details will be shared directly with members and highlighted in enrollment meetings.

In addition, a new Pharmacy Benefits Manager, Liviniti, will serve Active employees and Non-Medicare Retirees. Medicare Retirees will continue to receive their Medicare Part D prescription coverage through SilverScript. Members enrolled in the Pelican HSA775 plan will also have their pharmacy benefits managed by Liviniti.

## **Enrollment Support**

Active employees can join virtual informational meetings, while retirees will have the option to attend in-person sessions. These meetings are your chance to get clear answers and guidance on your benefits. You'll find the full schedule in this guide or online at [info.groupbenefits.org](http://info.groupbenefits.org).

## **Premium Update**

Like the rest of the nation, Louisiana is seeing continued increases in healthcare costs. We know these changes impact you, and we work hard to keep premiums as affordable as possible without compromising coverage quality. Beginning January 1, 2026, premiums for the Pelican and Magnolia plans are expected to increase by 7.75%.

## **We're Here for You**

Take some time to review your options in this guide and choose the plan that works best for you and your family. Our OGB team is committed to supporting you every step of the way, and we look forward to serving you in 2026.

Best regards,

**Employees paid through the LaGov system and retirees formerly paid through the LaGov system (formerly referred to as UPS and ISIS HR).**

## **Important Update on IRS 1095-C Forms**

---

Since 2016, the Office of State Uniform Payroll (OSUP) has provided IRS 1095-C forms to employees, retirees, and other covered individuals of agencies paid through the State's LaGov HCM payroll system. This form shows whether you had health insurance coverage through the Office of Group Benefits.

Due to recent federal changes, the IRS no longer requires these forms to be printed and mailed. Starting in 2026 (tax year 2025), OSUP will no longer print or mail 1095-C forms.

- The 1095-C is not required to file your taxes, but some tax preparers may ask for it.
- Active employees can view and print their form in LEO. If you're unable to print it and need a copy, contact your agency's HR Office for assistance.
- Those who do not have LEO access, such as retirees, separated employees, or other covered individuals, may request their form by emailing [DOA-OSUP-ACA.Hotline@LA.GOV](mailto:DOA-OSUP-ACA.Hotline@LA.GOV) or calling 225-219-9434. Provide your full name, the last four digits of your social security number, and your phone number in case further information is needed.

For updates, visit the OSUP ACA web page.

# Annual Enrollment & Your Responsibilities

## Important Dates

- **October 1, 2025** – 2026 OGB annual enrollment begins
- **November 15, 2025** – OGB annual enrollment ends
- **January 1, 2026** – New plan year begins

## Your Responsibilities as an OGB Member

As an OGB member, you have access to comprehensive health benefit options for yourself and your eligible dependents. Here are some important points to keep in mind during annual enrollment:

### During Annual Enrollment, You May:

- Change your health plan selection.
- Apply for term life insurance. (Evidence of insurability may apply.)
- Drop or add eligible dependents.
- Discontinue OGB coverage.

### Your Responsibilities Include:

- Making or changing your selection by the deadline of November 15, 2025, either online or through your Human Resources department.
- Providing documentation to OGB if adding dependents. This documentation may include birth certificates, marriage certificates, or other acceptable legal or verification documents. Ensure documentation is submitted by the November 15, 2025 deadline.
- Educating yourself on the Plan materials to understand your options and coverage.
- Reviewing all communications from OGB and taking the required actions promptly.
- Verifying that your insurance premium deduction is correct in January.

Taking these steps ensures that you make informed decisions about your healthcare coverage and that your enrollment information is accurate and up to date. If you have any questions or need assistance, don't hesitate to reach out to OGB for support.

**IMPORTANT!** If you would like to remain in your current OGB health and/or term life insurance Plan with the same covered dependents for the 2026 Plan Year, you do not need to do anything. Your current coverage will continue for the 2026 Plan Year.

# Making Your Health Plan Selection

Choose one of the following enrollment options:

## LaGov vs. Non-LaGov

“LaGov” and “Non-LaGov” are agency classifications used by OGB. If you are uncertain about whether your agency is classified as LaGov or Non-LaGov, you should contact your human resources department.

ACTIVE EMPLOYEES, REHIRED RETIREES	OGB Annual Enrollment Portal	Louisiana Employees On-line (LEO)	Human Resources Department
Enroll in a new health plan with the same covered dependents as 2025	✓ (Non-LaGov employees only)	✓ (LaGov employees only)	✓
Enroll in a health plan with different or new covered dependents than 2025			✓
Elect or re-elect HSA contributions	✓ (Re-elect) (Non-LaGov employees only)	✓ (Re-elect) (LaGov employees only)	✓ (Elect)
Elect or re-elect FSA contributions	✓ (Non-LaGov employees only)	✓ (LaGov employees only)	✓
Apply for term life insurance or make a change to term life insurance coverage			✓
Discontinue OGB health and/or term life insurance coverage			✓

Access the web portal at [enroll.groupbenefits.org](https://enroll.groupbenefits.org).

## Making Changes During the Plan Year

It's crucial to carefully consider your benefit needs and make the appropriate selection during the annual enrollment period. Keep in mind that once you've made your health plan selection, you will generally not be able to make changes until the next annual enrollment period, unless you experience an OGB Plan-Recognized Qualified Life Event during the plan year.

### What You Need to Know:

- **Annual Enrollment Limitation:** Changes to your health plan selection are typically limited to the annual enrollment period.
- **Exceptions for Qualified Life Events:** You may be eligible to make changes outside of the annual enrollment period if you experience an OGB Plan-Recognized Qualified Life Event during the plan year.
- **Understanding Qualified Life Events:** A Qualified Life Event is a significant life change that may affect your healthcare needs or eligibility for coverage. You can review a full list of OGB Plan-Recognized Qualified Life Events at [info.groupbenefits.org](https://info.groupbenefits.org).

### Take Action When Necessary:

- If you experience a Qualified Life Event, be sure to familiarize yourself with the process for making changes to your health plan.
- Promptly notify OGB of any Qualified Life Event and follow the required steps to update your coverage accordingly.

By staying informed about your options and understanding the circumstances under which you can make changes to your health plan, you can ensure that your coverage aligns with your evolving needs and life circumstances.

# Understanding Your Plan Options

## Pelican HRA1000

The Pelican HRA1000 plan is designed to provide financial support for your healthcare expenses through a health reimbursement account (HRA). Here are the key features of this plan:

- **Annual Employer Contributions:** Receive \$1,000 for employee-only plans and \$2,000 for employee plus dependent(s) plans deposited into your HRA each year.
- **Offset Healthcare Costs:** Use these funds to help cover your deductible and other out-of-pocket healthcare expenses throughout the year.
- **Rollover Benefits:** Any unused funds in your HRA will roll over to the next plan year, up to the In-Network out-of-pocket maximum, as long as you stay enrolled in the Pelican HRA1000 plan. This allows you to accumulate funds for future medical expenses. Funds are forfeited when you leave the HRA plan or the plan is no longer offered.
- **Provider Access:** Easily view and select from Louisiana Blue's network providers at [lablue.com/ogb](http://lablue.com/ogb).

The Pelican HRA1000 plan offers a practical way to manage and reduce your healthcare costs with the added benefit of building a financial cushion for future medical needs.

The amount members pay toward their prescription depends on whether or not they receive a generic, preferred, non-preferred, or specialty brand drug.

Tier	Member Responsibility*
Generic	50% up to \$30
Preferred	50% up to \$55
Non-Preferred	65% up to \$80

<b>After the out-of-pocket threshold amount of \$1,500 is met by you and/or your covered dependent(s):</b>	
Generic	\$0 copay

## Pharmacy Benefits

OGB uses a Formulary to help members select the most appropriate, lowest-cost options. The Formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. Members will continue to pay a portion of the cost of their prescriptions in the form of a copay or coinsurance. The amount members pay toward their prescription depends on whether or not they receive a generic, preferred, non-preferred, or specialty brand drug.

Tier	Member Responsibility*
Generic	50% up to \$30
Preferred	50% up to \$55
Non-Preferred	65% up to \$80
Specialty	50% up to \$80
After the out-of-pocket threshold amount of \$1,500 is met by you and/or your covered dependent(s):	
Generic	\$0 copay
Preferred	\$20 copay
Non-Preferred	\$40 copay
Specialty	\$40 copay

\*Member responsibility is for a prescription drug benefit of up to a 31-day supply.

## Magnolia Open Access (Nationwide Providers)

The Magnolia Open Access Plan offers flexible coverage with both **In-Network** and **Out-of-Network** options. Here's a summary of its features:

- **Nationwide Coverage:** Access to Blue Cross and Blue Shield's nationwide network of providers, offering flexibility for members who live out of state or travel frequently.
- **Cost Structure:** Instead of copays, you pay a percentage of costs after meeting your deductible:
  - **In-Network Care:** Pay 10% of the allowable amount after meeting the deductible.
  - **Out-of-Network Care:** Pay 30% of the allowable amount after meeting the deductible, with the potential for balance billing.
- **Provider Access:** To find and view Louisiana Blue's network providers, visit [lablue.com/ogb](http://lablue.com/ogb).

## Magnolia Local (Select, In-Network Provider Only Plan)

The Magnolia Local plan is a select, **In-Network provider only** plan for members who live in specific coverage areas. Magnolia Local is a health plan for members who want local access, affordable premiums and a new approach to healthcare. Out-of-Network care is covered only in emergencies, and the member may be balance-billed.

### What is different about Magnolia Local?

- **Your network of doctors and hospitals is more defined** than other plans. You still have a full network of primary care doctors, specialists and other healthcare providers in your area.
- **You have a coordinated care team** that talks to one another and helps you get the right care in the right place.
- **Staying in network is very important! Out-of-network coverage is provided only in the case of an emergency.**
- Where you live will determine which Magnolia Local network you will use.

### Before you choose Magnolia Local, consider this:

- Which doctors/clinics do you go to the most?
- Which clinics/hospitals are closest to where you live?
- Staying in network is very important! As long as you receive care within your network, you will pay less than if you receive care outside of the network.

### Magnolia Local has two networks: Community Blue & Blue Connect

Community Blue is a select, local network designed for members who live in the parishes of **Ascension, East Baton Rouge, Livingston, and West Baton Rouge**.

Blue Connect is a select, local network designed for members who live in the parishes of **Acadia, Bossier, Caddo, Evangeline, Iberia, Jefferson, Lafayette, Orleans, Plaquemines, St. Bernard, St. Charles, St. James, St. John the Baptist, St. Landry, St. Martin, St. Mary, St. Tammany, Terrebonne and Vermilion**.

# How to Enroll - LaGov Employees

During annual enrollment, members have the flexibility to make changes to their current health plans, renew their HSA (Health Savings Account) and/or FSA (Flexible Spending Account) contributions, switch to a new health plan, or choose to maintain their current coverage. However, how you make these changes depends on your member status and agency classification, specifically whether you fall under "LaGov" or "Non-LaGov" classifications.

## LaGov vs. Non-LaGov

- **LaGov:** This classification refers to agencies categorized as part of the Louisiana state government.
- **Non-LaGov:** This classification includes agencies that are not part of the Louisiana state government.

If you are uncertain about whether your agency is classified as LaGov or Non-LaGov, it's essential to contact your human resources department for clarification.

## Active LaGov Employees

**There are two ways for active employees to change their health plan:**

### 1. Louisiana Employees Online (LEO):

- Active LaGov employees can change or update their health plan elections through Louisiana Employees Online (LEO).
- Instructions for using LEO will be provided by the human resources department prior to the start of the annual enrollment period.

### 2. Contact Your Human Resources Department:

- Alternatively, active employees can contact their human resources department for assistance with changing their health plan.

**Important Note:** Active employees should not submit a paper enrollment form to OGB. It will not be accepted.

Choose the method that works best for you to ensure a smooth and accurate transition or update to your health plan coverage. If you have any questions or need further assistance, your human resources department will be able to provide guidance.

## LaGov Rehired Retirees

LaGov rehired retirees have the option to change or update their health plan elections by contacting their human resources department. If you fall into this category and wish to make changes to your health plan, reaching out to your Human Resources department is the appropriate course of action. They will provide guidance and assistance to ensure that your health plan elections are accurately updated according to your preferences and needs.

**IMPORTANT!** If you would like to remain in your current OGB health plan with the same covered dependents for the 2026 Plan Year, you do not need to do anything. Your coverage will continue for the 2026 Plan Year. **(Active Members enrolled in the HSA and/or FSA options will need to update their elections for 2026.)**

# How to Enroll - Non-LaGov Employees

## Active Non-LaGov Employees

**For active Non-LaGov employees, there are two options to change their health plan:**

**1. OGB's Annual Enrollment Web Portal:**

- Active Non-LaGov employees can change or update their health plan elections through OGB's annual enrollment web portal at [enroll.groupbenefits.org](http://enroll.groupbenefits.org).
- To access the web portal, employees will need their insurance cards and identification numbers, such as their date of birth and Social Security number.
- Please note that adding or removing dependents cannot be completed through the web portal. Adding or removing dependents must be completed through your Human Resources department. However, FSA (Flexible Spending Account) and HSA (Health Savings Account) contributions must be renewed annually and can be completed through the web portal.

**2. Contact Your Human Resources Department:**

- Alternatively, active Non-LaGov employees can contact their human resources department for assistance with changing their health plan.

**Important Note:** Paper enrollment forms will not be accepted from active employees. It's essential to utilize the designated channels provided to make changes to your health plan elections.

Choose the method that aligns with your preferences and needs to ensure a seamless process for updating your health plan coverage. If you have any questions or need further assistance, your human resources department will be able to provide guidance and support.

## Non-LaGov Rehired Retirees

**There are four ways to change a health plan. Choose the one that works best for you:**

**1. Non-LaGov Rehired Retirees:**

- Change or update your elections through OGB's annual enrollment web portal at [enroll.groupbenefits.org](http://enroll.groupbenefits.org).
  - You will need your identification numbers (such as your date of birth, Social Security number, etc.) to log in to the web portal.

**2. Contact Your Human Resources Department:**

- Reach out to your human resources department for assistance with changing your health plan.

**3. To Enroll in a Health Plan with Different or New Covered Dependents, or to Discontinue OGB Coverage:**

- Rehired Retirees must see their Human Resources department to add or drop dependents or discontinue their OGB coverage.

# How to Read Your Benefits Comparison

Your Benefits Comparison has 3 main sections:

## Cost Comparison

1

A comparison of the different Copays, Coinsurance, and Deductibles across offered plans. A Copay is a fixed payment for a covered service, and does not count toward your Deductible. A Coinsurance is the amount you pay for certain services after you have met your deductible. A Deductible is the amount you pay annually before your insurance begins to pay.

## Out-of-Pocket Comparison

2

A comparison of the different Out-of-Pocket Maximums across offered plans. An Out-of-Pocket Maximum is the most you'll have to pay annually for health care services. Deductibles, Copays, Coinsurance and other medical expenses count toward your Out-of-Pocket Maximum. Your monthly premium does not.

## Plan Benefits Summary

3

A high-level comparison of the benefits offered across each plan. Use to compare the different Copays, Coinsurance and Deductibles you may be responsible for when using different medical and pharmacy benefits. **This comparison chart is a summary of plan features and is presented for general information only. For a complete list of plan features, please review the plan documents posted on-line at [info.groupbenefits.org](http://info.groupbenefits.org).**

**Choose a Plan Structure and Network:** Some plan types allow you to use almost any doctor or health care facility. Others limit your choices, have no out-of-network coverage or charge you more if you use providers outside the network.

## Compare Out-of-Pocket Costs

You may want a plan with low out-of-pocket costs if:

- You see a doctor, such as a specialist, on a regular basis
- You frequently need emergency care
- You take expensive or brand-name medications on a regular basis
- You are expecting a baby, plan to have a baby, or have small children
- You have a planned surgery coming up
- You've recently been diagnosed with a chronic condition such as diabetes or cancer

You may want a plan with higher out-of-pocket costs if:

- You cannot afford a plan with lower out-of-pocket costs
- You are in good health and rarely see a doctor
- You rarely participate in activities with a high risk of injury

## Compare Covered Benefits

- Compare the Copay, Coinsurance and Deductible of any planned services or procedures for the upcoming plan year.
- See if your physician or preferred facility is covered under each plan by visiting [lablue.com/ogb](http://lablue.com/ogb)
- Review your prescription cost across plans by searching the formularies for each plan. If you are on maintenance medications, consider mail order to reduce costs.

# SUMMARY OF PLANS

*Medicare Retirees*

# Medicare and Medicare Advantage

## Important Information for Retirees: Annual Enrollment Periods for 2026

### Annual Enrollment Opportunities:

- **Retiree Plan Changes:** Retirees can change their health plans during the annual enrollment period each year.
- **Medicare Options:** Retirees with both Medicare Part A and Part B have two choices:
  - Transfer to a Medicare Advantage health plan.
  - Choose an OGB secondary plan.

### Enrollment Periods:

- **OGB Secondary Plan Enrollment:** Medicare retirees have until November 15, 2025, to select an OGB secondary plan.
- **Medicare Advantage Plan Enrollment:** Medicare retirees can enroll in a Medicare Advantage plan from October 15 to December 7, 2025.

### Eligibility Requirements:

- **Medicare Parts A & B:** All plan members must have Medicare Parts A and B to enroll in a Medicare Advantage plan.

### Important Note on Part D Coverage:

- **Part D Coverage:** All OGB Blue Cross plans include Part D coverage.
- **Dis-enrollment Warning:** If you enroll in a separate Medicare Part D plan while already enrolled in an OGB Blue Cross plan, you will be automatically dis-enrolled from the entire OGB plan.

Ensure you make informed decisions during these enrollment periods to maintain the healthcare coverage that best meets your needs.

## Medicare Plan Updates Coming Soon

At the time this guide was printed, the Office of State Procurement (OSP) was still reviewing proposals for the 2026 Medicare Advantage plans. We know this timing isn't ideal, and we appreciate your patience. The Office of Group Benefits (OGB) expects contracts to be finalized in time for the annual enrollment period.

As soon as details are available, OGB will mail updated information to all Medicare-eligible retirees. You'll also be able to find updates on our websites:

- [info.groupbenefits.org](http://info.groupbenefits.org)
- [annualenrollment.groupbenefits.org](http://annualenrollment.groupbenefits.org)

We strongly encourage Medicare retirees to attend one of the statewide Annual Enrollment informational meetings. (See page 44 for dates and locations.) These meetings will provide the latest updates on Medicare Advantage plan options, and OGB staff and plan vendors will be available to answer your questions.

Stay tuned—we're working to get you the information you need as soon as possible!

# Inflation Reduction Act (IRA) of 2022

## What is the Inflation Reduction Act (IRA) of 2022 and what does it mean for Medicare retirees?

The Inflation Reduction Act (IRA) brings significant changes to Medicare that aim to enhance the program's benefits and affordability for millions of people. Here's a breakdown of the key improvements:

- **Expansion of Benefits:** The IRA introduces new benefits and coverage options for Medicare recipients, ensuring they have access to a broader range of treatments and services.
- **Lower Drug Costs:** One of the major components of the IRA is the reduction in prescription drug costs. This includes measures to negotiate lower prices for certain high-cost medications and limit out-of-pocket expenses for beneficiaries.
- **Stable Prescription Drug Premiums:** The IRA includes provisions to keep prescription drug premiums stable, helping to prevent significant cost increases for Medicare recipients.
- **Strengthening Medicare:** The act is designed to improve the overall strength and sustainability of the Medicare program, ensuring that it can continue to provide essential services and support to beneficiaries in the future.

Overall, the IRA aims to make Medicare more affordable and effective, providing crucial financial relief and access to care for its beneficiaries.

## Key Benefits of the Inflation Reduction Act for Medicare Beneficiaries

- **Insulin Cost Cap:**  
\$35 Per Month: Medicare beneficiaries will pay no more than \$35 per month for each covered insulin prescription. This significant reduction aims to make insulin more affordable for those managing diabetes.
- **Access to Adult Vaccines Without Cost-Sharing:**  
Recommended adult vaccines will be available to Medicare beneficiaries without any cost-sharing. This includes vaccines such as the shingles, pneumococcal, and COVID-19 vaccines, helping to ensure that seniors receive essential preventive care without financial barriers.
- **Yearly Cap on Out-of-Pocket Prescription Drug Costs:**  
Starting in 2026, Medicare beneficiaries will have a cap of \$2,000 on their out-of-pocket spending for prescription drugs. This cap provides financial protection and predictability for those with high medication costs.
- **Expansion of the Low-Income Subsidy Program (LIS or "Extra Help"):**  
The income threshold for the low-income subsidy program (also known as "Extra Help") will be expanded to cover individuals and families with incomes up to 150% of the federal poverty level. This expansion means more low-income beneficiaries will qualify for assistance with their Medicare Part D prescription drug plan costs, including premiums, deductibles, and co-pays.
- **The Medicare Prescription Payment Plan**  
The Medicare Prescription Payment Plan is a new payment plan that works with your current drug coverage, and it can help you manage your drug costs by spreading them across monthly payments throughout the Plan year (January – December). **This payment plan might help you manage your expenses\*, but it will not save you money or lower your drug costs.** "Extra Help" from Medicare, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members for whom Medicare pays primary are eligible to participate in the Medicare Prescription Payment Plan, regardless of income level, and all Medicare drug plans and Medicare health plans with drug coverage must offer the Medicare Prescription Payment Plan. Participation in the Medicare Prescription Payment Plan is completely optional. Visit [Medicare.gov](https://www.medicare.gov) to learn more and find out if this payment plan is right for you. You will receive more information in the mail regarding this payment plan.

**\*Please Note:** If a member fails to pay the monthly amount, their participation in the Medicare Prescription Payment Plan will be terminated and the member will revert to the usual cost sharing in place. The member will still owe the amount they failed to pay. Additionally, the member may be prevented from participating in the Medicare Prescription Payment Plan in the future.

For more information about the Inflation Reduction Act and how these changes will affect you, visit [www.medicare.gov](https://www.medicare.gov).

# OGB Secondary Health Plans

## Pelican HRA1000

The Pelican HRA1000 plan is designed to provide financial support for your healthcare expenses through a health reimbursement account (HRA). Here are the key features of this plan:

- **Annual Employer Contributions:** Receive \$1,000 for employee-only plans and \$2,000 for employee plus dependent(s) plans deposited into your HRA each year.
- **Offset Healthcare Costs:** Use these funds to help cover your deductible and other out-of-pocket healthcare expenses throughout the year.
- **Rollover Benefits:** Any unused funds in your HRA will roll over to the next plan year, up to the In-Network out-of-pocket maximum, as long as you stay enrolled in the Pelican HRA1000 plan. This allows you to accumulate funds for future medical expenses. Funds are forfeited when you leave the HRA plan or the plan is no longer offered.
- **Provider Access:** Easily view and select from Louisiana Blue's network providers at [lablue.com/ogb](http://lablue.com/ogb).

The Pelican HRA1000 plan offers a practical way to manage and reduce your healthcare costs with the added benefit of building a financial cushion for future medical needs.

## Retiree 100 Program Overview:

The Retiree 100 program is designed to provide supplemental coverage for retired members and/or spouses enrolled in the Magnolia Open Access plan who have Medicare Part A and Part B as their primary insurer. Here are the key details:

### Coverage Purpose:

- **Supplemental Coverage:** Retiree 100 serves as additional coverage for members facing extensive hospital bills or large physician charges due to serious illness, accidents, or long-term chronic conditions.

### Eligibility and Coverage:

- **Eligible Expenses:** Retiree 100 coordinates expenses eligible for reimbursement by both Medicare and the Magnolia Open Access plan. It does not include coverage for prescription drugs.
- **Premiums:** The monthly premium for Retiree 100 is \$81.00 per person, paid in addition to your monthly OGB premium. There is no state contribution towards the premium; the entire cost must be covered by the member.
- **Enrollment:** Retired members can enroll during the annual enrollment period held each year or within 30 days after becoming eligible for Medicare (Parts A and B). Coverage becomes effective on the first day of the month the member became eligible for Medicare.

### Important Considerations:

- Retiree 100 is designed to provide additional financial support for significant medical expenses not fully covered by Medicare and the Magnolia Open Access plan.
- It's crucial to assess your healthcare needs and financial situation to determine if Retiree 100 is the right choice for you.

Enrollment documents are available on the OGB website, [info.groupbenefits.org](http://info.groupbenefits.org).

*\*\*Medical Out-of-Pocket Maximum applies to medical expenditures for all Plan Participants and to Prescription expenditures for Plan Participants when OGB is the primary payer. Prescription Out-of-Pocket Maximum applies to each Plan Participant when Medicare is the primary payer.*

*\*\*\*Separate Prescription Out-Of-Pocket Maximum does not apply to retirees without Medicare.*

## Magnolia Local (Select, In-Network Provider Only Plan)

The Magnolia Local plan is a select, In-Network provider only plan for members who live in specific coverage areas. Magnolia Local is a health plan for members who want local access, affordable premiums and a new approach to healthcare.

Out-of-Network care is covered only in emergencies and the member may be balance-billed.

### What is different about Magnolia Local?

- **Your network of doctors and hospitals is more limited in service area** than other plans. You still have a full network of primary care doctors, specialists and other healthcare providers in your area.
- **You have a coordinated care team** that talks to one another and helps you get the right care in the right place.
- **Staying in network is very important!**
- Where you live will determine which Magnolia Local network you will use.

### Before you choose Magnolia Local, consider this:

- Which doctors/clinics do you go to the most?
- Which clinics/hospitals are closest to where you live?
- Staying in network is very important! As long as you receive care within your network, you will pay less than if you receive care outside of the network.

### Magnolia Local has two networks: Community Blue & Blue Connect

Community Blue is a select, local network designed for members who live in the parishes of **Ascension, East Baton Rouge, Livingston, and West Baton Rouge**.

# How to Read Your Benefits Comparison

Your Benefits Comparison has 3 main sections:

## Cost Comparison

**1** A comparison of the different Copays, Coinsurance, and Deductibles across offered plans. A Copay is a fixed payment for a covered service, and does not count toward your Deductible. A Coinsurance is the amount you pay for certain services after you have met your deductible. A Deductible is the amount you pay annually before your insurance begins to pay.

## Out-of-Pocket Comparison

**2** A comparison of the different Out-of-Pocket Maximums across offered plans. An Out-of-Pocket Maximum is the most you'll have to pay annually for health care services. Deductibles, Copays, Coinsurance and other medical expenses count toward your Out-of-Pocket Maximum. Your monthly premium does not.

## Plan Benefits Summary

**3** A high-level comparison of the benefits offered across each plan. Use to compare the different Copays, Coinsurance and Deductibles you may be responsible for when using different medical and pharmacy benefits. **This comparison chart is a summary of plan features and is presented for general information only. For a complete list of plan features, please review the plan documents posted on-line at [info.groupbenefits.org](http://info.groupbenefits.org).**

**NOTE:** This section also breaks down plans for Medicare Advantage, plans for retirees with Medicare (retirement date before March 1, 2015), and plans for retirees with Medicare (retirement date ON or AFTER March 1, 2015)

**Choose a Plan Structure and Network:** Some plan types allow you to use almost any doctor or health care facility. Others limit your choices, have no out-of-network coverage or charge you more if you use providers outside the network.

## Compare Out-of-Pocket Costs

You may want a plan with low out-of-pocket costs if:

- You see a doctor, such as a specialist, on a regular basis
- You frequently need emergency care
- You take expensive or brand-name medications on a regular basis
- You have a planned surgery coming up
- You've recently been diagnosed with a chronic condition such as diabetes or cancer

You may want a plan with higher out-of-pocket costs if:

- You cannot afford a plan with lower out-of-pocket costs
- You are in good health and rarely see a doctor
- You rarely participate in activities with a high risk of injury

## Compare Covered Benefits

- Compare the Copay, Coinsurance and Deductible of any planned services or procedures for the upcoming plan year.
- See if your physician or preferred facility is covered under each plan by visiting [lablue.com](http://lablue.com)
- Review your prescription cost across plans by searching the formularies for each plan. If you are on maintenance medications, consider mail order to reduce costs.

  - Members enrolled in term life insurance coverage will automatically have 25 percent reduced coverage on January 1 following their 65th birthday. Another automatic 25 percent reduction in coverage will take effect on January 1 following their 70th birthday. Premium rates will be reduced accordingly.
- Newly hired employees who apply for term life insurance within 30 days of employment are eligible for term life insurance without providing evidence of insurability (EOI).
- Existing Active Employees may only apply for term life insurance during OGB annual enrollment. These employees may be required to provide evidence of insurability to the insurer.
  - Plan members should contact their HR departments to assist them with completing and submitting the Evidence of Insurability Form to Prudential for approval.

## Portability of Term life insurance

Members can take advantage of the portability provision and continue coverage at group rates. This coverage is for terminated employees and employees whose face amount is reduced. Such coverage will be at a higher rate, and the state will not contribute any portion of the premium. The insurer will determine premium rates. You do not need to submit an evidence of insurability form to continue coverage. The insurer must receive the application no later than 31-days from the date their Employee Term Life Coverage ends.

## Conversion of Term life insurance

Employees may convert life coverage when employment or eligibility ends, subject to the "Conversion" section of your Contract/Booklet Certificate. No Evidence of Insurability is needed. Accidental Death & Dismemberment coverage cannot be converted. In most cases, the insurer must receive the signed Notice of Group Life Conversion Privilege form within 31-days from the date their Optional Employee Term Life Coverage ends.

## Accidental Death and Dismemberment Benefits

Accidental Death & Dismemberment (AD&D) benefits are included for all active and retired employees through age sixty-nine (69). For those members who are actively employed at the age of 70 and older, the AD&D coverage will continue until the member retires. Upon retirement, the AD&D coverage will terminate at midnight on the last day of the month in which the member retired.

## NOTES

[illegible]

## Save money with FSA pretax benefit accounts.

A Flexible Spending Account (FSA) puts more money in your pocket by reducing your taxable income when you contribute pretax dollars to pay for common expenses like these:

### HEALTHCARE

- Medical/dental office visit co-pays
- Dental/orthodontic care services
- Prescriptions, vaccinations, and OTC
- Eye exams; prescription glasses/lenses

### DEPENDENT CARE

- Daycare expenses
- Before & after school care
- Nanny/nursery school
- Elder care

#### TIPS

- Determine your elections based on your estimated out-of-pocket expenses for the year
- Your employer may offer other types of Benefit Accounts too; ask for details
- For a complete list of eligible expenses, see IRS Publications 502 & 503 at [irs.gov](https://www.irs.gov)

## Increase your take-home pay by reducing your taxable income.

Each \$1 you contribute to your FSA reduces your taxable income by \$1.

With less tax taken, your take-home pay increases!

Consider this example: (for illustration only)

Richard has:

- Gross monthly pay of \$3,500
- \$600 per month in eligible expenses

Here is his net monthly take-home pay:

#### Without FSA

(\$600 spent using post-tax dollars)

**\$1,932**

#### With FSA

(\$600 spent using pretax dollars)

**\$2,098**

That's a net increase in take-home pay of **\$166 every month!**

To estimate potential savings based on your income and expenses, use the Tax Savings Calculator at [www.tasconline.com/tasc-calculators](https://www.tasconline.com/tasc-calculators).

See how easy it is to start saving with a TASC Benefit Account. See details on reverse.

# How to participate.

It's easy to start saving with an FSA.  
Just follow 3 simple steps:

## 1. DECIDE how much you want to contribute.

Check with your employer for plan specifics and review at the IRS limits at [www.tasconline.com/benefits-limits](http://www.tasconline.com/benefits-limits).

The more you contribute, the lower your taxable income will be.

However, it's important to be conservative when choosing your annual contribution based on your anticipated qualified expenses since:

- The money you contribute to your benefit account can only be used for eligible FSA expenses.
- Any unused FSA funds at the close of the plan year are not refundable to you. (A grace period or carryover option may be in place for your plan. Check with your employer for plan guidelines and allowances.)

### PLANNING TIPS

**START** by making a conservative estimate of how much you expect to spend on eligible out-of-pocket expenses for the year.

**COMPARE** your estimate to the IRS limits. If your estimate is higher than these annual contribution limits, consider making the maximum contribution allowed.

## 2. ENROLL by completing the enrollment process.

Your contribution will be deducted in equal amounts from each paycheck, pretax, throughout the plan year.

Your total annual contribution to a **Healthcare FSA** will be available to you immediately at the start of the plan year. Alternatively, your **Dependent Care FSA** funds are only available as payroll contributions are made.

### SPECIAL FEATURES

**MyCash Account:** Included on your TASC Card for faster reimbursement deposits and non-benefit purchases.

**TASC Mobile App:** Track and manage all benefits and access numerous helpful tools, anywhere and anytime! Search for "TASC" (green icon).

## 3. ACCESS your funds easily using the TASC Card.

This convenient card automatically approves and deducts most eligible purchases from your benefit account with no paperwork required. Plus, for purchases made without the card, you can request reimbursement online, by mobile app, or using a paper form.

Reimbursements happen fast—within 12 hours—when you request to have them added to the MyCash balance on your TASC Card. You can use the MyCash balance on your card to get cash at ATMs or to buy anything you want anywhere Mastercard is accepted!

This Mastercard is administered by TASC, a registered agent of Pathward. Use of this card is authorized as set forth in your Cardholder Agreement. You can review the list of OGB Plan-Recognized Qualified Life Events at [info.groupbenefits.org](http://info.groupbenefits.org).

### COBRA - Continuation of Coverage

COBRA gives a plan participant and eligible dependents the right to choose to continue OGB health plan coverage for limited periods of time when coverage is lost under circumstances, defined by federal law, such as certain voluntary or involuntary job loss, reduction in hours worked, transition between jobs, death, divorce, and other life events. Individuals who choose COBRA continuation coverage are required to pay 102% of the entire premium for coverage in most situations. Contact your human resources representative of your employing agency.

# Terms and Conditions

*In this section, "I" refers to the covered employee/retiree.*

I understand that it is my responsibility to review the most recent enrollment guide. It is my responsibility to review any applicable Plan communications that are available and applicable to me (including plan documents posted electronically at [info.groupbenefits.com](http://info.groupbenefits.com)) at the time of my decision, and to determine the OGB option that best meets my or my family's health coverage needs.

I also understand that it is my responsibility to review the following bullets and understand which of the bullets apply to my situation:

- I understand that providers may at any time join or discontinue participation in the network for an OGB health plan, and this is not an OGB Plan-Recognized Qualified Life Event.
- I understand that the costs of prescription drugs may change during a Plan Year and that these changes are not an OGB Plan-Recognized Qualified Life Event.
- I understand that once I have made an election, I will not be able to change that election until the next annual enrollment period, unless I have an OGB Plan-Recognized Qualified Life Event.
- I understand that by electing coverage I am authorizing my employer to deduct from my compensation or monthly check the applicable premium for the plan option I have selected.
- I understand that I will have to pay premiums for the plan option I select, and that coverage for any newly added dependents will start only if I provide the required verification documentation for those dependents by the applicable deadline. Newly-acquired dependent coverage for HIPAA Special Enrollment Events is retroactive to the date of the OGB Plan-Recognized Qualified Life Event if verified by the applicable deadline.
- I understand that I am responsible for the cost of benefits used by me or my covered dependent(s) after the termination date of coverage.
- I understand that it is my responsibility to verify that the correct deduction is taken from my compensation and to immediately notify my employer if it is not correct.
- I understand that if I miss the deadline to add a dependent or submit verification documentation, I will not be able to add the dependent until the next annual enrollment period, or until I experience a subsequent OGB Plan-Recognized Qualified Life Event that would enable me to make such a change.
- I understand that intentional misrepresentation or fraudulent falsification of information (including verification documentation submitted when dependents are added) may subject me to penalties and possible legal action and, in the case of adding dependents, may result in termination of coverage and recovery of payments made by OGB for ineligible dependents.
- I understand that by enrolling in an OGB plan, I am attesting that the information I provide is true and correct to the best of my knowledge, under penalty of law.
- This enrollment guide is presented for general information only. It does not constitute legal advice. It is not a benefit plan, nor is it intended to be construed as a benefit plan document. If there is any inconsistency between this guide and the benefit plan documents and Schedule of Benefits, the FINAL benefit plan documents and Schedule of Benefits will govern the benefits and plan payments.
